**Water:** New: Shane received quote from Mag Meters to replace backflow meters. Quote is for 2 we need one now to replace the on the well # 2. Have had issues with the meter there for some time and found out can't purchase parts anymore for the meter we have. To recalibrate will cost Around \$2000.00. Shane states we would be better off to replace the unit In time will need to get a second unit for well # 1. Shane is still learning our system at this time not sure what cost would be On the additional parts for the meter. He will check into this further.

Old- Nikki-Need quote for water shut off on Jefferson old flower shop

**Sewer:** Test Inc Purchased back up battery for the sewer building. In Current bills

**Operator:** Update for Water and Sewer:

Shane is looking into adding air near where he takes samples to help with Sample testing. Some were high and need to address and fix. May receive Invoices or quotes on this process soon. Maybe approve a certain dollar for Operator to move ahead and fix.
